Conflict of Interest Disclosure

This notice confirms that Northeast Plastic Surgery Center, has informed me, in the interest of full disclosure, that Dr. Vinod V. Pathy currently holds an ownership interest in a company whose product may be utilized as part of your surgical care. This product has demonstrated benefits in certain cases, and we have found it to be effective in improving efficiency in surgical care.

However, we want to assure you that our decision-making process regarding your treatment will always prioritize your well-being and adhere to the highest standards of medical ethics. Decisions regarding your surgical care will be based solely on what we believe to be in your best interest, taking into account your individual circumstances, medical history, and surgical procedure required. Your health and safety are our primary concerns, and we will always act in accordance with our professional responsibilities and obligations as a surgical team.

Should you have any questions, concerns, or reservations, do not hesitate to inquire further.
